**Afternoon Bus Drop-Off Authorization for \_\_\_\_\_**

(Child(ren)'s Name(s))

*Parents, whose children ride the afternoon bus, whether regularly or only sometimes, needs to fill out and return this form.*

**OPTION ONE**

\_\_\_\_ I authorize Chrysalis Charter School to drop my child(ren) off at the \_\_\_\_\_ bus stop no matter what\*. If I or other members of my family or community are not there on time, my child(ren) shall still be dropped off to either wait or walk home on their own.

\*If the driver decides there is something specific to that day that suggests this might not be safe, we reserve the right to keep the child(ren) on the bus and continue on the route. In this circumstance, the bus driver will notify the school and we will attempt to notify you as soon as possible. (Just so you know, this option is the standard policy for many school districts in order to avoid the kinds of problems we are starting to have).

**OPTION TWO**

\_\_\_\_ My child(ren) shall be dropped off at the \_\_\_\_\_ bus stop ONLY IF one of the people designated below are present to pick them up. If I check this option, I am also agreeing that if one of us is not at the bus stop on time, the bus will not wait but will continue on with its route and it will be our responsibility to drive to another bus stop along the line to pick up our child. We are also agreeing that if we are not at the last bus stop on time to pick up our child, the bus will drive my child(ren) back to Chrysalis and it will be our responsibility to drive out to Chrysalis to pick them up and to also reimburse Chrysalis \$50 for the driver's overtime wages and bus mileage expenses.

List of designated pick-up people (If we are not familiar with some of these designated people, we reserve the right to not release your child(ren) to them until they show us photo ID.)

We recommend that parents at specific bus stops make agreements among yourselves to be a designated pick-up person for each other and exchange cell phone numbers to facilitate this in case a person is running late. If possible, have more than one such person just in case the children of one of them are sick and so are not there that day.
